1. Redundant?

Its head turn dismally downwards,
It realised it was just a weed,
When it got pulled out.

2. Humility

The lofty tree stands tall,
Its gigantic, green, majestic, branches spanning yards,
Yet it bends to survive.

3. Celebrating life

The trees lifted their heads,
The shower from the skies had blessed,
They were ready for the winters.

4. The Symphony

The chirping of the birds,
Is a harmonised orchestra of the Gods,
That is played for free.

5. The Rejuvenation

The eagle soars very high,
Yet keeps its eye on the ground,
To rest and soar again.

5. The Path

The bristles reflect my choice,

I chose to walk on untrodden paths,
To pave way for others

6. The happy message

The flowers noted in unison,
Their colourful heads bobbing a silent message,
Reflecting the beauty of diversity.
